Move away
It hurts
Please move away
It hurts so much I can't breathe
CHAPTER 32
TWO FACES AND A BLESSING <IV>

I'm a policeman
Can you tell me you name?

An ambulance will be here soon
Hold on
Please move away over there
I'm a police-man
Thisis a crime scene
Move away!!
Che
What's
Your name?

Shiki
Say that you were stabbed suddenly by a man you didn't know
That you didn't see his face
That you had your wallet, but it got stolen
Don't say anything else
I can't say anything because of the pain

So this is how much it hurts
This turned into a big deal
Excuse me, there!!

This is a crime scene
Please move away
Beep beep-beep
Please move away
I'm Kuzumi from the HQ first section
I happened to be present here
This is a crime scene, please take care of securing it
Yes!!
Excuse me
We'll be taking him to the Matsudaen Hospital
I'll go as well, I have questions for the victim

A church?

Yeah
I was asked to go to one together with my wife
Huuuh
You don't like it?

I'm not a believer
I don't really like places like that
Me neither
I don't like them
Something bad happened once
Some-thing bad?
It was back when I was in school

At the end of the service everyone went one by one to the priest to receive some kind of a blessing and only believers received something that looked like a piece of bread
I went to some church with a friend
And then write a report on it
We had to go to a few churches to worship on Sundays
I used to go to a mission type school
There were some Christianity classes there
The friend that was with me wasn't a believer, but she got the bread
But I didn't get any

But for some reason I felt
The priest couldn't remember the faces of believers very well
He probably mistook my friend for someone else

That I was the only one who didn't receive the blessing

I understand
No
Ahaha
Am I strange?
So you're worried about something like that?

The reason
I don't like
churches
Is because
I feel the same
Mikako

It was a huge failure
Don't bring me shame
I...
I'm sorry
Even if you're a woman, you're a detective
Councilor Itou
I'm responsible for the last failure
It was my mistake
She excels
She's doing well
Her acumen is especially outstanding
I think she's well suited to be a detective

But unfortunately
Hosaka-kun
When I heard you'd be training my daughter, I was relieved and thought that I could entrust her to you
You will likely be transferred soon
Thank you for taking care of my daughter
Please be well at your new job
F-

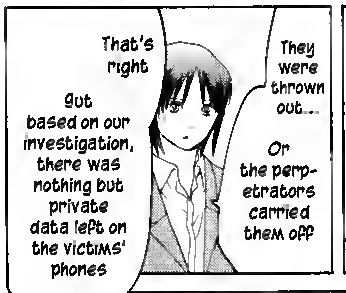
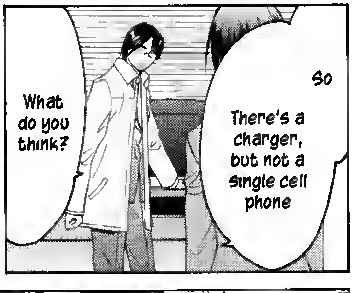
バタン
Kosaka-san
I don't feel like going to church
Certainly

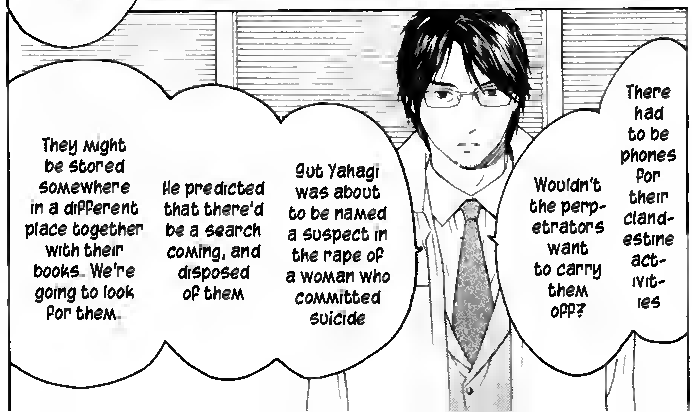
Keep on working
I haven't received the transfer notice yet



That's right
But based on our investigation, there was nothing but private data left on the victims' phones
They were thrown out...
Or the perpetrators carried them off



What do you think?
So
There's a charger, but not a single cell phone



They might be stored somewhere in a different place together with their books. We're going to look for them.
He predicted that there'd be a search coming, and disposed of them
But Yahagi was about to be named a suspect in the rape of a woman who committed suicide
Wouldn't the perpetrators want to carry them off?
There had to be phones for their clandestine activities

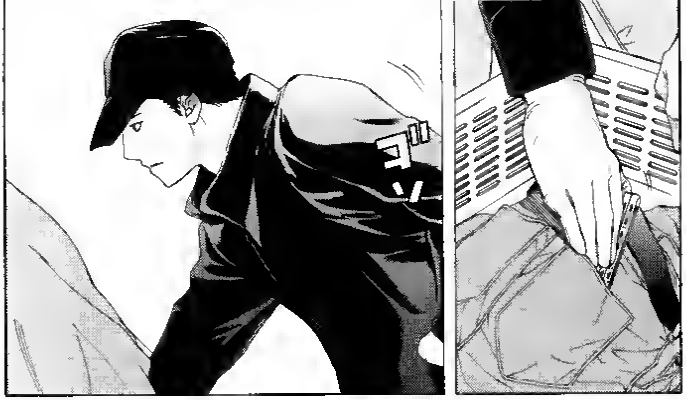
What would we find on their work cell phones?
...
Likely, information about the perpetrators ...
Well done
If we find the phones or the books, we might also discover the connection with Makihara Ei
Come on
Start searching for clues!
Y...
Yes
I'm sorry
ゴゴゴ
Yes
... Yes
Where?
Eh?
Huh?
Kozumi !?
Bububu

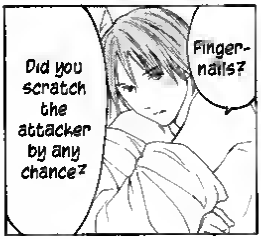
I'm sorry, our first section has to go elsewhere right now
Let's go
Yes
That's
I can't say
What about Kuzumi?
It seems a high school teacher was stabbed out in the street
Yes
I'll go there at once
Beep
!?
It seems he happened to be at the scene
Yeah ..
That's pretty amazing
Wasn't he OFF today?
True
Things like that can happen, can't they?
I envy them ...
He's not hurt?
He does not seem to be
It's like a TV drama
Amazing!!
We'll talk again
Yes yes

コト
I wonder if we'll get through this
KUZUMI
Where's the victim?
He's being treated

I've already asked for the description of the perpetrator and conducted a search
.....
...A woman?
You're amazing
Nothing in particular
What were you doing in Kinshi-cho?
Yes
Go ahead
Can he talk?
Yeah
We're done
There's not much we can do with that
A male around 170 cm in height, in his 20s or 30s, dressed in black?
Hello
I'm Ogawara from the MPD first investigative section
You've been through a lot
And you've already talked to Detective Kuzumi, haven't you?
Keep it short

I'm sorry, but please take all of your clothes off
We'll seize them as evidence
Except for the under-wear
Yes
Also, ask a nurse for a change of clothes
Yeah
Oga-wara
The knife used as the weapon
I'll help out
Oga-wara
Hurry up, get the change of clothes
Excuse meee
Yeah yeah
The knife
The jeans' back pocket
And jacket





Finger-nails?
Did you scratch the attacker by any chance?

Also
We'll photo-graph your wound
And collect your finger-nails
Please wear this

Huuuh ...
Then we'll confiscate those gloves
It's possible that you've touched the attacker
I was wearing gloves...

We might be able to collect a DNA sample
...No
It was dark ...
And sudden ...
Shiki-san
Did you really not see the attacker's face?
Did you happen to notice any distinctive features?

We can get DNA
Although it's covered in dust

There seems to be an imprint of something like lips here

If the perpetrator's DNA is in the database, it's a slam dunk
Hopefully, the attacker has a prior

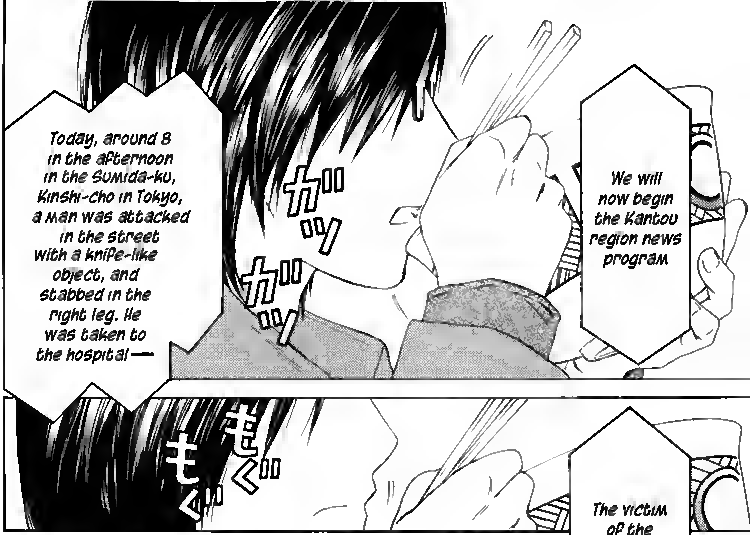
Chapter 33

Two Faces and a Blessing <V>



We will now begin the Kantou region news program
Today, around 8 in the afternoon in the Sumida-ku, Kinshi-cho in Tokyo, a man was attacked in the street with a knife-like object, and stabbed in the right leg. He was taken to the hospital —

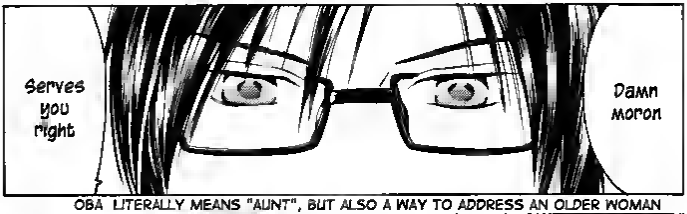
The victim of the stabbing is a resident of Tokyo and a high school teacher
The attacker was unknown to him
Because his wallet was taken, the MPD is treating this as a case of assault and robbery
They are pursuing any leads as to the whereabouts of the perpetrator
The attacker is described as —



OBA LITERALLY MEANS "AUNT", BUT ALSO A WAY TO ADDRESS AN OLDER WOMAN

So I did
The key to the apartment was also left in the car
Pururururu
Is sensei alright?
He was stabbed in the leg, but it was a relatively light wound
Hurry up, I said
Did they mess up?
It seems that way. The target stabbed him and ran away.
Pururururu
If the target identifies himself to the police, won't it be the end?
He'll claim that Shiki and Kuzumi tried to kill him?
...
It was a mistake
So
Where did Kuzumi say to take Itsuki?
Pururururu
Ku-zumi-san also said
To take Itsuki-chan to another place
Pururururu
See, I told you
Get ready

I got your cell number from him

I need a favor. Please tell this to Erika
Erika?
Or Rika or what-ever
The target is a strange one!
He came home once, and then left somewhere in a car!!
I don't know where he went, so ask her to look into his where-abouts!!
We have to find him before the police do and take care of him!!
I... I under-stand
Is everything alright with Kuzumi-san? What's going on?

I have a bad feeling about this
I'm going back to the hospital where Shiki is
I'll be in touch again

My brother was stabbed
Just let me go already

I'll call a taxi

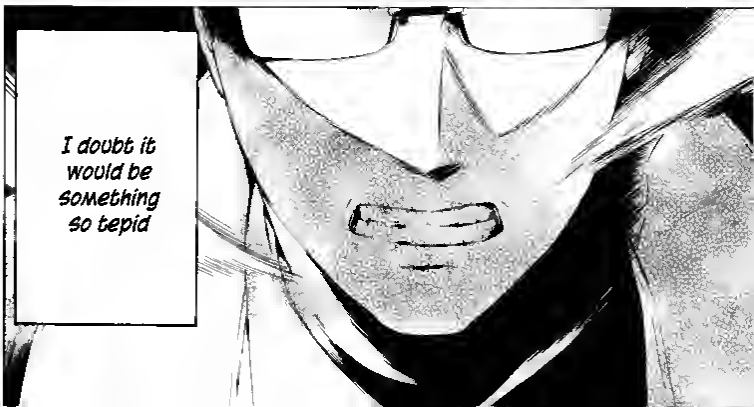
I'll go too
It'll probably cost to have a nurse in attendance
I don't know how much
I don't have that much money..
We'll figure something out
Thank you

Hosaka-san
The church
You should go
Even though I don't believe in God's blessing?
You're telling me to go?
Well
Your wife will be happy
... Because the people there all pray
They believe
If you just spend time with people like that
I wonder if it might turn out to be good for you

On the contrary, I think it's futile
Personally
It fits me better to be at a homicide scene like this
There are times when it's rewarding
Otherwise, the sacrifices made would all be in vain

Shiki-san, what would you like?
I'm sorry, it seems I'm out of medicine
I'm in pain
I'll bring some over right now
It hurts
It hurts like a burn
Actually, it's natural since they burned he wound with a laser scalpel
Am I getting my retribution?
No, if it were retribution



I doubt it would be something so tepid

CHAPTER 34

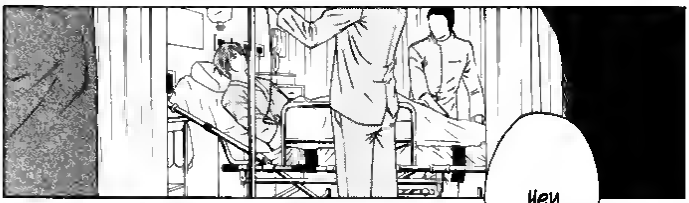
A man wielding a knife-like object broke into a city hospital
And attacked a man who was undergoing treatment there
The attacked man and the attacker engaged in a violent struggle
During which the attacker was stabbed in the left leg
And soon died
...
He's alright
The attacked man was unhurt
He had been admitted to the hospital the same day around 7 after being stabbed by someone in the street
The police believe that the attacker out in the street and the man who broke into the hospital were the same person

B
A



Hey
What were you doing in the hospital so late?
I was worried
If he was stabbed in the street due to some grudge the perpetrator might come to attack again...
I thought maybe we should put a guard on him

Umm
Yeah —
It's not a common occurrence to happen to be present at the crime scene
So it's natural to become more protective than usual

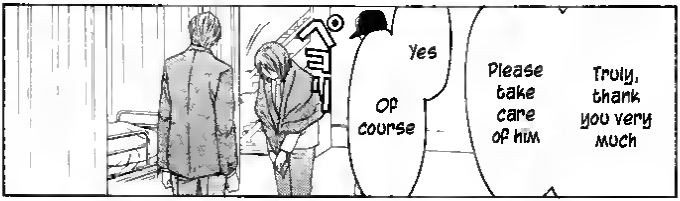
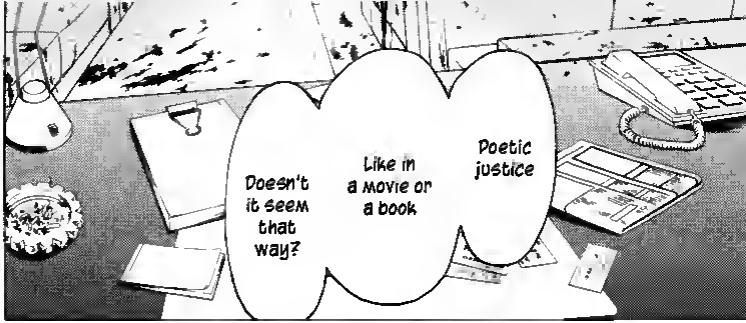
I'll never forgive you if you're hiding something from me
You got it?
... Got it



Truly, thank you very much
Please take care of him
Yes Of course

Oga-wara
See the sister out and get her contact information
Uh Yeah yeah

Such close siblings
.....
Don't laugh ...



These Shuueikai guys got their just desserts
But it wasn't divine retribution
Someone killed them

In reality, people who have committed no crime suddenly become victims
What they lost is never returned to them
And the perpetrators lead a carefree life

But the reality is different
In a movie, when bad guys destroy someone's family
Their families too get messed up and meet with misfortune
But reality is different

Poetic justice
Like in a movie or a book
Doesn't it seem that way?

Would you pray to God to punish them?
I don't do anything like that
I investigate, and I catch them
And let the law deliver its judgment
Those people got in the way of that
Whoever they are, I'll catch them
Including the driver, there were three perpetrators
Even if Maeda was one of them
There are two more
Even if I'm taken off this case, I'll continue my investigation
I'll catch them for sure

But
Umm
Hmm?
Kosaka-san
...
Your wife will be happy ...
Go there
The church

Chapter 38
A Lie for Five <I>

HAPPY X'MAS
Shit
A lie...

Not saying anything and lying
Are two different things

!
In order to lie, there needs to be a big goal
Ah ah ah ha

The goals may vary

From now on
If people find out that a teacher lives with such a young girl, there will be all sorts of trouble
So don't tell anyone about Itsuki
Especially to the police
Well, that's true
I will have to lie a lot...
I got it, I won't say anything!
Thanks

I'm the prosecutor in charge of this case, Yanagisawa
Since you're in the hospital
I'll visit a few times to collect your testimony
I have some questions based on the protocol recorded by the police
If we determine that you have committed an illegal act, you will be charged
Would you like a lawyer?
Sensei, we were so surprised
Are you alright?
Sensei, you're jinxed —
Who was the attacker?
Wait
Don't ask too many questions
Get well soon, Sensei
When are they going to let you out?

Yeah— It's been a while since I visited your place
It hasn't changed at all— Clean like always
Ah
How's your sister?
What you asked me to bring
Here, this is for you
Yeah, I was surprised
Why didn't you call me immediately?

Tell me if anything happened
Please leave!!
Don't you see he's injured!?
No interviews
Don't you think you need to explain the facts to the public?
I'M from the Maiasa newspaper
Shiki-san!!
No!! Please leave!!

ガラッ
Shiki-kun
It's hard to say this
But please don't come to school anymore
It's a violent incident after all
Even if you're the victim, you're still involved
You killed a person ...
Please don't fire Shiki-sensei
Yes, but the parents, and the students too, are uneasy ...
Sensei didn't do anything wrong
We're all from Sensei's class and we're not uneasy!!
He's the victim, how cruel
We'll protest!!
...

This time, it is of utmost importance to determine who the knife you used to fatally stab the attacker belonged to
I think that everything else satisfies the conditions for legitimate self-defense
If the knife was something that you prepared, you might be responsible for illegal actions
If we can determine the source of the knife, and prove that it was Suzuki's, then I think you're alright

Shiki-san, is it really true that you didn't have any acquaintance with the attacker, Suzuki?
Bu bu bu bu
!

Oops
I'm sorry, I need to take this
Please excuse me
I'm sorry, please use the phone outside
Eh!
Ah!
Yes!!

パサ
Lying is
A difficult activity
That hurts the heart
How is Itsuki?
She's with Makihara
They're alright
More importantly, about the knife
There's a large number of knives whose origin is unknown in Suzuki's house. The origin of the knife you used can't be determined either
There isn't any evidence to rule that you committed an illegal act
Don't worry
...

That might be so
He probably wanted to find the one who killed them
And kill that perpetrator himself
And that's when we showed up
Suzuki didn't kill his wife and child
...
This is horrible ...
Uwah
I'll be back soon
I'm sorry, I have to take this as well
Bu bu bu bu
Bu bu bu bu
Bu bu bu bu
Thanks
Sorry for making you wait

So he's getting constant phone calls from his wife or his mother
His child was just born
...Yeah
?
ハクション
A child ...
Heeeh
Is Ogawara-san your partner, Kuzumi?
We've worked together a lot
But I don't have a partner
Heeeh
He seems like a good person
You and Ogawara resemble each other
Eh

I've thought that it was the case for a while
But when the two of you are in one room, it's a strange feeling

Resemble each other?
My family is a bit messy right now

ガラッ
I'm sorry, thanks for waiting

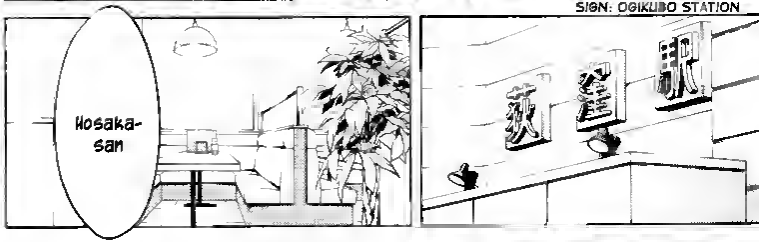
Don't go this time
It's impossible for you
I see
The reason Kuzumi treated me so well from the start
Was because he thought I resembled his friend

It's
quiet

Now that I think of it
Ever since I got into this work, I was never alone
Itsuki was always there
I was afraid of being alone so I probably avoided thinking about it...
But I can't leave her like this
It's dangerous to be near me
I have to think about her...

Uuuuuh
Too much free time
I'm bored
I want to see sensei
I can't even call him
I hate it
...
We can't help it
He's under investigation right now
If there's history left on his phone, it'll be a problem
I HATE IT
I'm going out
Do you need anything?
PUDDING

SFX: SLAM
A Christmas~~~
See you
And then, and then ...
Too many details!
With caramel
Custard pudding!!
The one without the fresh cream!!



SIGN: OGIKUBO STATION
Hosaka-san

Why do I have to eat breakfast here in Ogikubo with you?
Then how long are you going to continue this?
Really
I won't get fired
Wasn't it you who invited me first?
When are you going to get fired?
HMM-?

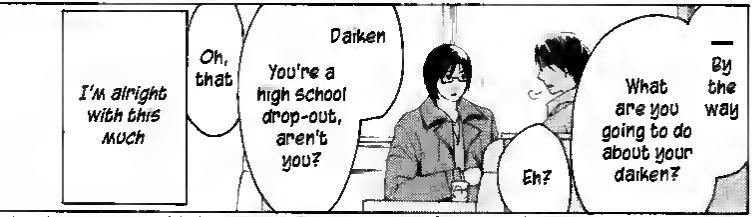
Xmas
...
Christmas is coming soon
Yeah?
Are we going to eat breakfast like this on Christmas as well?
Aren't you married?
I am

You are, and yet you eat breakfast with me every day?
Hahaaan
Did she run away?
A lonely middle-aged man
She did not!

What about you?
Do you have any plans for Christmas?
ぎくぎく!!
!
Well
...
Nothing this year ...

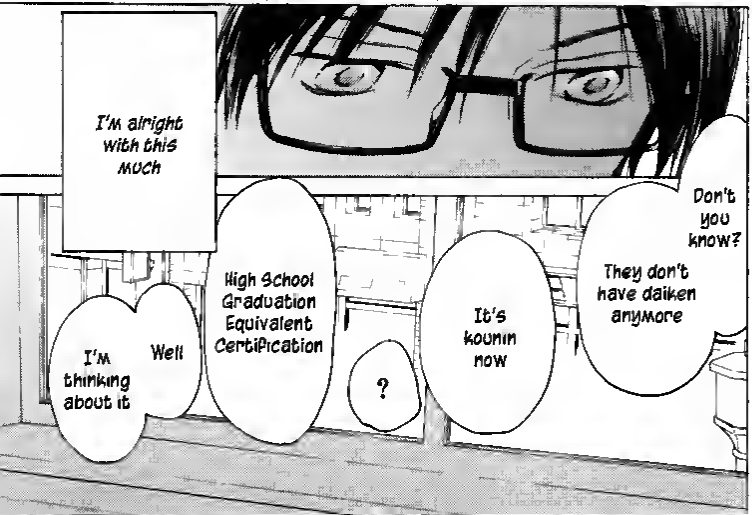
...
I used to fool around with Bizen practically every year
I apologize for treating you like the murderer of Bizen and Shibuya
It's part of a detective's job to trick people and watch their reaction
You didn't kill those two
...
But you probably know something
About the perpetrator
Aren't you covering up for him?
Is there something that prevents you from talking ...?

Can lie without breaking a sweat
I want you to stop being concerned about me and go find the perpetrator already
I want to find the perpetrator and kill him
I
If I knew anything, even I would talk

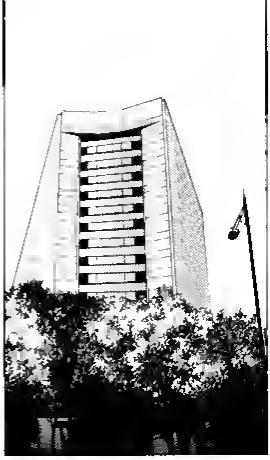


I'm alright with this much
Oh, that
Daiken
You're a high school drop-out, aren't you?
Eh?
What are you going to do about your daiken?
By the way

TL NOTE: DAIKEN = UNIVERSITY ENTRANCE QUALIFICATION EXAMINATION (ESTABLISHES THE EQUIVALENT OF HIGH SCHOOL GRADUATION)



Hosaka



Please come over for a minute, we need to talk

So they got it
What a shame
Transfer from the department, right?
It finally came
Hosaka-san...
Suginami Ogikubo Station Investigative Section
Is it?
You are hereby transferred to the Suginami Ogikubo Station Investigative Section.

?
Is there anything strange about it?
No, it's nothing
I accept

Your wife is in the hospital, isn't she?
You should take this chance to take it easy
This is our job here
Changed?
Yeah, in the past
There was some-thing like
Doubt
Agitation
Anger in you
But now you're calm
And steady as a rock
Did something happen?
